MENTOR
PROGRAM

Organized by the
TSHP New
Practitioners Section

www.tshp.org

MENTOR PROGRAM

The TSHP Mentor Program is a service available to interested pharmacy students and pharmacists. The program provides student members the opportunity for networking, professional development, and career guidance to ensure the advancement of the pharmacy profession.

A mentor is a role model who helps and guides another individual's development through teaching, coaching, and counseling. One of the most valuable assets your career can have is a good mentor. Pharmacists are matched with students to provide a greater understanding of a variety of career paths within the pharmacy profession.

TSHP hopes this mentoring relationship will allow students to grow personally and professionally within the organization and profession. The program will also help bridge the gap as pharmacy students graduate and become new practitioners.

MENTOR ROLE

- Cultivate a professional relationship with your mentee
- Communicate via phone, email, and/or one-on-one
- Share your expertise
- Contribute to the professional growth of future pharmacists
- Share the path you took to get where you are today
- Provide positive feedback and constructive criticism

MENTEE ROLE

- Cultivate a professional relationship with your mentor
- Communicate via phone, email, and/or one-on-one
- Learn from successful pharmacists in your area of interest
- Share current goals and objectives with your mentor and seek guidance when looking to make important career choices
- Integrate feedback and grow personally and professionally

Mentor Requirements

Must be a current registered Texas pharmacist member of TSHP and be willing to actively participate in the TSHP Mentor Program.

Mentee Requirements

Must be a current pharmacy student of TSHP and be willing to actively participate in the TSHP Mentor Program. Student members must be in their P2-P4 year at an ACPE accredited Texas College of Pharmacy.
